

## BUTTE LANDS THE LEAGUE PENNANT.

Yesterdays Game Was Hard Fought and Lasted Ten Innings—Score 4 to 3.

## AN ERRORLESS CONTEST.

Run That Won the Game and Captured The Pacific National League Pennant, Won by Shaffer.

Well, the Pacific National League pennant belongs to the copper diggers from Butte. In a hard fought game which lasted ten innings down at Walker's lot yesterday afternoon, Wilmet's aggregation of ball tossers walked off the locals by a score of four to three, and clinched their title to the championship. Shaffer, the man who holds down first for the visitors, had the honor of making the run that made his team the pennant bearer. The victory was hard earned and well deserved and the Miners are entitled to three cheers and a tiger. They won the pennant fairly and had an uphill fight to do it. Early in the season the team was well nigh disrupted by some of the best men on it being transferred to the San Francisco league, which finally flunked and left the league. Butte plucked right along and kept on winning games and when it came to a show down yesterday for the "rag," they delivered the goods and took the prize.

In yesterday afternoon's doin's, the fans witnessed some of the fastest fielding of their lives. No chance seemed too good for the fielders whether it was a long fly, a swift liner or sizzling grounder. Everything was grabbed and eaten up. McNeely and Lynch easily carried off the fielding honors and many a hit that looked good for a couple or three bases was pulled down safely by this pair. Jimmy Wiggs did the twirling for the local crowd and Roach for the gold diggers. They kept things pretty good all up all the time and while they were kept erratic at times, their work was what you would call pretty good.

In only one inning did it look like the locals would probably land the game and Butte guessing on a home run or two about that "rag." It was in the fourth, when Weaver hit and Hausen flew out to Wilmet. Roach walked the next two and Slat Davis cleared the bases with a beautiful two-sacker. Nothing happened until Butte started to bat in the second. Runkle hit, Ward got a pass, and Wilmet brought Runkle home. In the fifth the Miners scored again and nothing startling was done until the ninth, when Taylor took a two-bagger. He got to third on a sacrifice and Wiggs hit a high one contributed by Wiggs. The summary follows:

DUCK SEASON OPENS.			
Big Crowd of Marksmen Prepared for Great Killing Tomorrow Morning.			

Judging from the preparations made by various duck club members, there will be a great slaughter of the festive bird tomorrow shortly after sunrise. The sea-birds leave this evening for the various sloughs and streams where ducks are supposed to report a big sale of guns and ammunition and it will be surprising if the killing does not exceed that of last year. The clubs are well protected from trespassers as they have employed officers to keep non-members off their grounds.

## MULVEY VS BIDDY BISHOP.

Former Returns and Says that the Latter is Strictly Up Against It.

M. E. Mulvey has returned from his visit to Portland and Seattle, where he went to fight Biddy Bishop in the latter's effort to pull off a fight between Herrera

and Jack McClelland. Mr. Mulvey says that he thought he had put Bishop out of the fighting game for all time so far as the two cities were concerned. He says he overlooked no chance to show Bishop up in his true colors to the sportsmen, fraternity and the officials. Bishop tried to be good and his things up with Mulvey but the latter would have none of it. He told the Mexican manager that he was after him for the deal he worked here and he proposed to keep after him indefinitely.

## RACES AT CINCINNATI.

Ohio Stake of \$5,000—Heats of One Mile Was a Disappointment.

Cincinnati, O., Sept. 29.—The Ohio stake of \$5,000 three heats of one mile each, for trotters of the 2:30 class, at the Grand circuit meet at Oakley today proved a disappointment. The race was easily won by the horse review purse of \$2,000 for two-year-old trotters won to Alta Asworthy after he had dropped the first heat, to Grace Bond. It was the last race of the day and resulted in the establishment of a new world's record for the three fastest heats ever trotted by two-year-olds, summary:

The Horse Review purse, \$2,000, for two-year-old trotters, two in three—Alta Asworthy won the second and third heats in 2:14, 2:14. Grace Bond won the first heat in 2:14. The H. Hunt, Alvin White, Alvin Edgar, California Crescens, Bequeath, Jessie Benyon and Major Cuetchin also started.

The 2:30 pace, purse \$1,200, two in three—Cottrell Chimes won the second and third heats in 2:08, 2:08. Larry Ginter won the third heat in 2:08. Baron Rogers won the first heat in 2:07. Allison, Johnny Wiseman, Robert L. Kelly Direct, Dick Wilson, Mustard, Padden Wilkes, Dora Delima, Hal Canham and Cambria Maid also started.

The Ohio purse of \$3,000 for 2:30 trotters, three heats of one mile each—Caspian won the first and second heats in 2:04, 2:04. Hawthorne won the third heat in 2:04. The Roman, Dulce Cor, Maxine and Walnut also started. The money was divided, Caspian, \$2,250; Hawthorne, \$500; The Roman, \$400; Dulce Cor, \$50. Total, \$3,000.

The 2:30 pace, purse \$1,000, two in three—Bessie Brown won two straight heats in 2:15, 2:15. Baron Wedgewood, Alberta, Bessie Kinley, Sismet, Clara Belle, Gayoso and Grocery Maid also started.

The 2:30 pace, purse \$1,000, two in three—Irish Elder won two straight heats in 2:12, 2:12. C. D. Hard Case, Coillon, Charles C. Judge Pryor, Holly Dillon, Valler, H. Kate Renals, Line O'Gold, Ben Mac, Pickers, Money Musk, Direct L and Oia Mapes also started.

## Races in London.

London, Sept. 29.—Prince Royal won the Great Foal stake of 10 sovereigns each for starters, with 1,000 sovereigns added for three-year-olds, one mile and two furlongs, at the Newmarket first October meeting today. W. E. Whitney's Pan Michael was second and Arton ran third.

Another Record Gone.

Cleveland, O., Sept. 29.—Barney Oldfield, in his automobile at the Glenview track today, traveled five miles in 4:25.5. He was followed by a 1903 Buick, Time by miles, 38, 38, 38, 37:2.5, 38.

## Race is Investigated.

New York, Sept. 29.—An result of John A. Drake's Trinity Bell's sudden improvement in form yesterday at Morris park, the stewards took up the sheets of the bookmakers and are investigating the race. Drake is reported to have won a fortune, backing the mare down from 20 to 1 to 7 to 1.

## VETERANS HONORED.

Volunteer Firemen Spring a Surprise on R. J. Knight and William Nelson.

The Veteran Firemen held a largely attended meeting last night at their Canyon road hall where they gave R. J. Knight and William Nelson a surprise party. It was Mr. Knight's 60th birthday, and he was the recipient of a gold headed chain came on which was inscribed, "Presented to R. J. Knight by the V. V. F. A., Sept. 29, 1903." A similar present was made to Mr. Nelson. These two members of the Veteran Firemen's association have been especially active in raising funds for the liquidation of the debt on the hall, and in recognition of their work, the presentation was made. Refreshments were served, and there was an interesting program of music and recitations.

## MRS. KAMPELMAN

System Full of Malaria

2617 Ridger Street, St. Louis, Mo., August 21, 1903.

Mrs. Kampelman says: "I have for a long time been a sufferer from smothering sensations, swelling and soreness of the joints and my whole system seemed to be full of malaria and at

times it was with great effort that I did my housework. Paine's Celery Compound was recommended to me and I have finished taking one bottle and feel well again. It has entirely cured me."

## EDDIE HANLON GETS THE DECISION.

Another Hard Slashing Twenty Round Fight Between the Little Fellows.

## BENNY YANCER WAS CAME.

Sent Down for the Count Twice He Bravely Continued the Vicious Bout—Crowd Cheered Him.

Mechanic's Pavilion, San Francisco, Sept. 29.—Eddie Hanlon of this city received a decision over Benny Yanger of Chicago tonight after 20 rounds of furious fighting. Incidentally the spectators were treated to an exhibition of gameness on the part of Yanger such as is seldom witnessed in the prize ring.

It was a hard-fought battle in which Hanlon from the first abandoned his crouch. In the beginning of the sixth round he stood up and fought without his crouch. He was hit by a right hand to the jaw, Yanger had somewhat the better of it on points. He reached Hanlon time and time again without a return and Hanlon, coming in, punished the slasher severely with his right. Hanlon, up to this period showed no advantage. This was the first round.

From this time on to the sixteenth he held his own. In this round he knocked his opponent down with a right hook to the jaw and seemed to have Yanger at his mercy. Hanging on, however, Yanger managed to last through the round, although Hanlon tried desperately to land a knockout punch. During the seventeenth, eighteenth and nineteenth Yanger seemed to have recovered from the disastrous sixteenth. In the last minute of the fight he landed a right hand on the jaw and left hook on the jaw and it looked as if the call of "time" would save him.

Yanger fought with the greatest gameness and proved much the cleverer of the two. He withstood the round he was again felled with a right and left hook on the jaw and it looked as if the call of "time" would save him. The decision of the referee was well received, though Hertz, Yanger's manager, thought he should have had a draw, as he claimed his protege had the better of it in the greater number of rounds. Yanger, on leaving the ring, was cheered by the crowd, even by the admirers of Hanlon. Hanlon's face looked considerably bruised and showed plainly the wear and tear of the fight. Yanger looked little the worse for wear. He said: "The referee has declared Hanlon the winner. That settles it. I have nothing further to say."

## JEWISH FAST DAY.

Feast of the Atonement Begins at Sundown this Evening.

C. W. Landis, "Porter" for the Oriental Hotel, Chanute, Kan., says: "I know what it was to suffer with neuralgia, dead I did, and I got a bottle of Ballard's Snow Liniment and I was 'raised from the dead.' I tried to get some more, but before I had 'deposed' of my bottle, I was cured entirely. I am telling the truth too." 25c, 50c and \$1.00 at Z. C. M. L. Drug Dept.

## THE JEWISH FAST DAY.

The Jewish feast of the Atonement begins at sundown this evening, and continues until sundown tomorrow. During that time no really good Hebrew will eat or drink, and all Jewish places of business will be closed. The Jewish Congregations of B'nai Israel and Montefiore will observe the feast in their respective tabernacles, the exercises among the latter being carried on entirely in Hebrew. Rabbi Reynolds of the Reformed Jewish synagogue describes the feast as follows:

"The day of atonement marks the culmination of a series of deeply spiritual and intensely solemn days, during which, every faithful and observant Jew surrenders himself to serious thought and religious meditation. The fundamental ideas, which the ceremonies of this day are to symbolize and accentuate, is that the spiritual as well as the physical universe is based upon an inexorable law of compensation; every sin of commission and omission is pregnant with consequences, which must some day be translated into the realities of life and thus constitute its atonement.

"We believe that life is a divine gift, that the mental and spiritual faculties are so many sublime powers which are to be used for the benefit of each other. One of us is entrusted with a certain mission, the nature of which is revealed in our own soul, and which we are to fulfill by the pursuit of selfless aims, must find its atonement in the service of the individual or collective destinies of man. The Jewish idea of sin and atonement is neither speculative nor formal; it is a mental conception of a real tangible chain of cause and effect, as manifested in the great process of universal life. The gift of grace is within the reach of every man, and his ability to lead a moral, good and upright life. These truths are forcibly brought out in the religious and ritual observance of the day.

"It is a fast day; no food of any kind is partaken of. The idea that the real great works of mankind can only be carried out through the discipline of self-denial. It is also a day when the living commune with the dead, embodying as it does the greatest and most solemn memorial service of the Jewish people, which is a service in which the spirit of high aims and noble aspirations is beautifully emphasized. After which, a shower of rain, or a snow storm, as a final warning to all who have confessed their sins, and resolved to live a better and higher life."

## Sure Relief for Women.

No. 18 Central Ave., Hot Springs, Ark., April 30, 1903.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any. A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years. I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.

Anna Nelson  
ORATOR, WEDNESDAY CHAUTAUQU CLUB.

## WINE of CARDUI

Mrs. Nelson describes the condition of hundreds of women in this city to-day. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods. Bearing down pains and ovarian inflammation follow. Finally the nerves weaken and the whole system has become affected and the pains rack the body from head to foot.

If a healthy woman were suddenly reduced to this terrible condition she would be driven to desperation and she would be willing to take even the smallest chance of securing relief. But female diseases advance so gradually it is hard for a woman to realize just how serious is her condition. Wine of Cardui is a menstrual regulator of established reputation. No woman who takes it suffers as Mrs. Nelson suffered. It gives speedy and complete relief from the torturing menstrual agonies which are making so many women invalids to-day. Do not let yourself come to the pitiable condition Mrs. Nelson describes. Secure a bottle of Wine of Cardui from your druggist to-day and begin the treatment immediately.
